

# ANIMAL ADVENTURER CHALLENGE

As the school year comes to an end, many of you will be on holiday! We want to know the habitat(s) you may see as you travel or around your community.

Become an Animal Adventurer and explore outside!

## REQUIREMENTS

- 1 Student(s) **submit photos, video, or create a poster showing a habitat(s) they see during the month of July and August.**
- 2 Challenge submissions should demonstrate an understanding of habitats.
- 3 Demonstrate original thought- project should be **creative!**

## Key Science Vocabulary

### HABITATS

A place where animals and plants live.

### DESERT

Large region that gets very little rain each year

### GRASSLAND

Land covered mostly by grass.

### COAST

The land that is next to the ocean.

### WETLAND

The land that is covered with water some of the time.

All challenges must be submitted before Thursday 26<sup>th</sup> August 2021.

Please send submissions and model release forms directly to: DaVida Alston
